Dear Mr Gkiokas,

Enclosed you may find UNHCR Greece's Annual Impact Report for 2021.

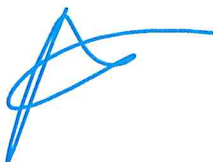

The difficulties encountered in the course of the previous year were many. Armed conflict, climate change and, of course, the Covid-19 pandemic represent some of the challenges that brought detrimental consequences for vulnerable communities across the world. **Over 84 million people were forced to leave their homes and loved ones behind**, bringing the number of refugees worldwide at record-high levels.

Throughout this period of uncertainty, we continued to reach and support those most vulnerable thanks to the generosity of our supporters. **It is because of your generous contribution that we are able to report to the ground and offer protection and humanitarian services.** The solidarity you demonstrate represents the driving force behind our efforts to provide relief to those who need it the most.

Therefore, allow me to thank you, on behalf of UNHCR, for your support during this time of need. Your contribution will have a true and long-lasting impact on refugees everywhere.

Please accept the assurance of my highest esteem.

Yours sincerely,

Nadine Tzetzta
